2016 GARBAGE COLLECTION SCHEDULE

The new garbage schedule has been created to save tax dollars. There will be twice a week garbage pick-ups on Tuesdays and Fridays all year long. Keep the weight of all garbage and recyclables to less than 40 pounds. All furniture including: sofas, mattresses, desks, tables, carpets (max. of five 3 ft. rolls at a time), should be placed on the curb with the regular garbage. **Construction material (see detailed list below) will not be collected by our trash collectors. Residents are responsible for disposing of these items through their contractors or private trash collectors.** Note: metal items (tubs, sinks, radiators, or steel & aluminum doors) will be picked up by the D.P.W. with the white good pick-ups. Please call for an appointment.

Residents who are moving into and out of Rochelle Park or cleaning out an estate must make arrangements with a private hauler to remove excessive trash from the curb. Trash should not be placed out on the curb earlier than one day before the garbage pick-up.

****2016 HOLIDAY TRASH PICK-UP SCHEDULE****

New Year's Day, January 1st will be picked on Thursday, December 31st

2016 RECYCLING PROGRAM

Recyclables are picked up every Monday according to the 2015 Recycling Schedule. On holidays, the collections will be made the following day. Leaves and grass will be picked up every Monday between April 4, 2016 and December 5, 2016. Pick-ups start at 6:00 AM. Receptacles should be placed at curbside Sunday evenings. **Do not put recyclables into the garbage. It's against the law!**

We also recycle used clothing. There are three clothing bins at the D.P.W. Center. They are located on the left as soon as you enter the Yard. They help the town lower dumping fees by keeping these items out of the trash and the clothes are put to good use.

Commingled:

Commingled materials are glass bottles and jars (all colors), aluminum, tin, or steel cans, and plastic containers (milk, soda, detergent, etc.). These items should be rinsed before putting them into the receptacle. The following items are not recyclable: ceramic cups and plates, clay pots, crystal, light bulbs, mirror or window glass, heat resistant ovenware and drinking glasses. Plastic toys also are not recyclable and should not be placed with the recyclables. Throw them in the trash. **Do not place any recyclables in plastic bags.**

Paper:

Paper includes: newspapers, magazines, office paper, books, telephone books, junk mail, and shredded paper. All paper must be clean and should be bundled and tied or put into paper bags. Any paper soiled with food should be placed into the regular garbage. **Do not put paper into plastic bags.**

Cardboard:

Cardboard includes: corrugated boxes and all clean food containers. Any cardboard contaminated with food residue must be thrown into the regular garbage. Flatten cardboard boxes whenever possible and do not jam cardboard into barrels. **Do not place cardboard into plastic bags.**

Leaves and Grass Clippings:

Put leaves and grass clippings in paper biodegradable bags or barrels weighing no more than 40 lbs. and place at curbside Sunday evenings for Monday pick-up. Do not rake or blow leaves or grass into the street. **Do not place leaves or grass clippings into plastic bags. They will not be picked up.** Biodegradable bags can be purchased at the D.P.W. Center Monday thru Friday, 9:00 AM – 12:00 PM. Due to emergencies, the Recycling Coordinator may not be in his office at times. You can call 201-587-7752 to make other arrangements if necessary.

****LEAF & GRASS PICK-UP IS EVERY MONDAY, APRIL 4, 2016 – DECEMBER 5, 2016****

Branches and Brush:

Branches and brush will be picked up at curbside every Monday all year round by the D.P.W. Branches must be bundled, root balls removed and not more than 5ft. in length and 4in. in diameter. **A maximum of 5 bundles will be picked up at a time.** Bags or barrels containing branches or brush mixed with leaves or grass will not be picked up. Residents must make their own arrangements to dispose of stumps, logs & root balls. Christmas trees (must be undecorated) will be picked up on Mondays along with branches & brush.

Large Appliances & Miscellaneous Metal:

Large appliances such as stoves, washers, dryers, refrigerators, hot water tanks, air conditioners, and miscellaneous scrap metal will be picked up by the D.P.W. by appointment every Monday. Call 201-587-7752 to schedule a pick up.

Tires and Car Batteries:

Used tires and car batteries are not accepted at the D.P.W. Center at any time. Residents may bring these items to special collection events run by the B.C.U.A. throughout the year. For dates, call the B.C.U.A. at 201-807-5825 or visit their website at www.bcua.org for a list of all hazardous waste collection events.

Building Materials:

Construction materials such as lumber, bricks, sheetrock, doors, windows concrete, cement blocks, roofing, deck wood, porcelain sinks, toilets & tubs, etc. are not allowed as garbage and will not be collected by our trash collector. Residents must dispose of these items through their contractor or a private trash collector.

Household Batteries:

Alkaline batteries are considered not to be hazardous waste and can be thrown out with the regular trash.

Computers, Electronics and Televisions:

Computers, televisions, monitors, printers, scanners, etc. will be picked up curbside by appointment only on the 1st & 3rd Wednesdays of every month, weather permitting. Call 201-587-7752 to schedule a pick-up. You can also bring them down to the D.P.W. Center Mon. - Fri. 9:00 AM to 3:00 PM.

Hazardous Waste:

The B.C.U.A. collects all hazardous waste on specified dates at their designated collection sites several times during the year. Hazardous waste products include: aerosol cans, anti-freeze, blacktop sealer, cleaners, corrosives, fertilizer, fluorescent light bulbs, gasoline, herbicides, insecticides, kerosene, lithium batteries, paints, pesticides, solvents & thinners, used motor oil & oil filters and varnishes. Do not dump any of these materials at the D.P.W. Center. Violators will be fined \$500 - \$1000. The 2016 Hazardous Waste Collection Events Schedules are available at the Municipal Building in the Administration Office lobby or you can also find it on the B.C.U.A. website www.bcua.org.

The Recycling Center is located on Lotz Lane (next to the Firehouse), within the D.P.W. yard. Residents can bring paper/cardboard and computers/electronics to the Center Monday thru Friday from 9:00 AM – 3:00 PM. Commingled (cans, bottles, plastic) and branches/brush are picked up at curbside only. Do not dump any prohibited materials in front, outside or within the D.P.W. Center. You will be fined for illegal dumping. The D.P.W. yard is monitored 24hrs. a day by cameras.

Any questions regarding our Recycling Program should be directed to:

Roland Jacobsen, Recycling Coordinator (201-587-7752)

The Recycling Office is located in the D.P.W. building at the rear of the D.P.W. Yard.

*****IT IS ILLEGAL TO SHOVEL OR BLOW SNOW INTO THE STREET*****

PLEASE COOPERATE AND HELP KEEP ROCHELLE PARK CLEAN!

THE RECYCLING DEPT WILL BE CONDUCTING THE SEMI-ANNUAL SHREDDING EVENTS ON:

Spring Event: SATURDAY APRIL 23, 2016 - 9:00 AM - 1:00 PM

Fall Event: TO BE ANNOUNCED

IN THE MUNICIPAL BUILDING PARKING LOT

Solutions to Stormwater Pollution

Easy Things You Can Do Every Day To Protect Our Water

Make sure you properly store or discard any unused portions.

A Guide to Healthy Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.

- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.

- Use natural or less toxic alternatives when possible.

- Recycle used motor oil.

- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

Keep pollution out of storm drains

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.

- Do not let sewage or other wastes flow into a stormwater system.

Clean up after your pet

- Many municipalities and public agencies must enact and enforce local pet-waste rules.

- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.

- Make sure you know your town's or agency's requirements and comply with them. It's the law. And remember to:

- Use newspaper, bags or pooper-scoopers to pick up wastes.

- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.

- Never discard pet waste in a storm drain.

Don't litter

- Place litter in trash receptacles.

- Recycle. Recycle. Recycle.

- Participate in community cleanups.

Dispose of yard waste properly

- Keep leaves and grass out of storm drains.

- If your municipality or agency has yard waste collection rules, follow them.

- Use leaves and grass clippings as a resource for compost.

- Use a mulching mower that recycles grass clippings into the lawn.

Don't feed wildlife

- Do not feed wildlife, such as ducks and geese, in public areas.

- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.
